To

The Hon Minister for Health
The Govt of Mysore — Bangalore

Respected Sir,

We the Residents of Wilson-gardens, wish to draw your kind attention to the following facts for immediate action in regard to the existence of a Hindu Burial ground Right in the middle of the Hindu localities of the Wilson gardens Block.

We desire to state that Wilson-gardens is an Extension formed a few years back and since then the buildings are gradually coming up and most of the Residents of the Locality are other than Muslim Communities, in particular's Hindus Some before the extension came in to being, a piece of Land was granted to Jamat-e-Ahmadiya Community

a Sect of the Muslim Communite be the Town of Mysore Extension was formed with the clear understanding that proper amenities, like water light and Health would be provided in the extension mentioned It is needless to point out to allow the existance of burial ground right in the middle of a locality with a large number of residents particularly Hindus is in Quite Contrary with the principles and ideals of a leading Civilized State The said burial ground existed adjacent to the Second cross Road very near the Mental Hospital Road, with Houses on all sides It appears that the Muslim Sect of the Ahmady Sect of Muslims prayed the Trust Board, Town and the Corporation, Where to allot them a burial ground for their use and repeated requests bore no fruit There was no any burial of a Muslim for last Six years It was expected that the premier Corporate town the experienced enlightened and far-Sighted Corporators with the able Executive Staff particularly the Health department would solve this simple affair by allotting a Separate Burial ground to the Community referred to above in this application It is regrettable that the existance of a burial-ground should have escaped the

immediate attention of the Corporation through the Health Department Corporation Bangalore

On 19th October 1952 at about 1 p.m. the attention of the President of the Wittan-gardens, B'lore was directed to the arrangements being made for the Burial of a young Muslim girl aged 11 years at the spot mentioned in the application. The burial of a dead-body and that too of the one who suffered from Pneumonia is detrimental to the health of the locality in particular and the City of B'lore in general. The Residents of the Locality feared apart from the religious sentiment that the diseased dead body might breed disease in the Locality, and felt grave Concern over this in addition to their protest at the Selection. Immediate phone was made to the Commissioner, Corporation B'lore who directed the Health Officer of the Corporation, who in his turn Called at the Spot and Satisfied that it affected the health of the Citizens of the Locality

to the Burial of the dead-body allowed and he even promised to take necessary steps in preventing the Burial, and the residents, particularly the one adjacent to the burial ground felt happy at the words of the Health Officer There was some Confusion at about 7 30 P M, when a band of Muslims with the dead-body appeared at the spot No responsible officer of the Corporation or the Govt seemed to evince interest in an affair like this Crowds in hundreds gathered at the spot It was feared that the crowd might swell into thousands The whole of this Locality felt uneasy at the situation The Assistant Health officer who appeared on the spot with his assistant tried to pacify the Muslims, but it was beyond his Capacity and therefore he and his assistant Quietly retired from the spot The assistant Health officer was expected to wait until he received instructions from the Minister for health He was not at the spot at the time when the Hon Minister for Health phoned which is to be regretted The police was summoned to maintain peace one police Duffedhar and two Constable were in Charge of the situation Both sections of the Communities met at the Annakkara-Sastha-Sevashram, Wadambadeny B'hoy for peaceful settlement of the affair

Contact by phone with the various officers of the state had no effect No responsible official could be present on the occasion We are very grateful to the Health Minister who alone evinced his keen interest in Sqanare up through the affair but it was too late and expressed his regret and sympathy at the situation which could have been avoided but for the hasty and ill-advised action, for lack of timely effort on the part of the Corporation and its staff Mr Narayana Swamy Naidu and Sreemathy H Parvathamma came to the help in ameliorating the affair But the lectures of the Community met at the Ananda-Sishu-Sevashram Wilson-Gardens, Blore It was dead of night No settlement could be reached There was no response from D S Gr The I G P was approached by phone who was informed that he was not available Even the D S P was not available by phone The S I Kalasapalayam when approached expressed that was the concern between the Corporation and party concerned

The Sekarans seemed to take decisions from The Chief M ster when approached by phone as busy as the parte meeting Muslims were prepared to bury the dead body in any burial place provided permission was accorded to them with the allotment of suitable place Muslims agreed by way of promise agreed to make this their last burial on the above mentioned spot provided they were permitted to do so The one Startling fact which the Muslim Community expressed which deserved your attention is that they are two hundred members and there was no death for last Six years An emergency Committee for the purpose to handle the petitioners Mrs Narayana Swamy Naidu, Mrs H P Hirehanal, Mr C Ramaswamy, Inspector of Explosives, central govt of India, Mr P S P Swamy and Karuparan participated in the discussion Both the parties reached after a long and peaceful discussion, they agreement mentioned above agreed to abide by any agreement in their future Burial at this spot, and further expressed their desire of securing a Separate burial place for their Community Respecting the sentiments of the Hindu Community surrounding the spot The body was buried at 11 P M The Hindu sect had to agree for no fault of theirs with their protest.
